General Information

Anatomy— distribution of the branches of trigeminal nerve

The Superior Alveolar Nerves

- A. Infra-orbital nerve
- B. Anterior superior alveolar nerve
- C. Middle superior alveolar nerve
- D. Maxillary nerve (CNVb)
- E. Pterygopalatine fossa
- F. Posterior superior alveolar nerve

DISTRIBUTION OF SUPERIOR
ALVEOLAR NERVES

Distribution of Mandibular Nerve (CN Vc)

- A. Foramen Ovale
- B. Medial Pterygoid nerve
- C. Anterior trunk
(motor = masseter/ temporalis /
lateral pterygoid, sensory = buccal)
- D. Submandibular ganglion on
Hypoglossus
- E. Mental nerve
- F. Mylohyoid
- G. Anterior belly of digastric
- H. Meningeal nerve
- I. Auriculotemporal nerve
(sensory)
- J. Chorda tympani branch of
Facial nerve (CN VII) joins
lingual nerve
- K. Lingual nerve (taste to

- anterior 2/3rds tongue)
- L. Mylohyoid nerve
- M. Inferior alveolar nerve.

DISTRIBUTION OF
MANDIBULAR NERVE (V₂)

Distribution of the I
